Hi Glinda and Sue,

I have added the cancer epidemiology subsections to Glinda's outline along with 3 tables (please consider as draft). (b) (5)

(b) (5)

(b) (5)

I also made some slight edits to Glinda's outline.

Subject outline of immuntox section

I started working on an outline (to guide the manager check-in) - we  
can go over it tomorrow if you think that would be useful
